Conditions of License
Top Diner, 4350 Lyndale Ave. N., Ward 4
Restaurant License

Your license, if granted, will be based on the following conditions:

1. Certified Food Manager Training must be completed prior to the proposed take over date of April 1, 2002.
2. Plans for the complete remodel of Top Diner, 4350 Lyndale Ave. N., must be submitted and approved by Minneapolis Environmental Health prior to the proposed date to begin construction, which is July 1, 2002.
3. All remodeling must be completed by October 1, 2002.
4. By April 8, 2002, remove the old handsink and install an NSF approved handsink in kitchen area.
5. By April 8, 2002, remove and replace the missing and cracked VCT floor tiles in the back storage area. These may be replaced with VCT flooring for the time being. For a new or upgraded facility, this flooring would have to be quarry tile, ceramic tile, terrazzo, or the equivalent.
6. By April 8, 2002, remove the board under the casters of the Artic Air reach-in unit near the handsink. It is unclear as to why this board is there. If it is for leveling purposes, alter the casters of the unit and not just add a board for leveling. The unit must be able to be moved easily in order to clean under and behind it. This must all be completed by April 8, 2002.
7. By April 8, 2002, repair the sink cabinet in the men's bathroom. There is a large hole in the front of the cabinet-patch or add a door to the opening.
8. By April 8, 2002, the floors need to be completely cleaned throughout. Clean under all equipment and clean back to floor/wall junctures throughout by April 8, 2002.
9. No sooner than March 25, 2002, a reinspection will be conducted. Previous violations that are structural in nature, such as repairing the floors, walls, ceilings throughout, and replacing the front area counters are noted on the inspection but will not be required to be complete as they will all be removed and replaced during the remodel.
10. If the complete remodel does not take place, it is understood that an upgrade to the Top Diner will be required by October 1, 2002 or the business will remain closed until the upgrade is done.

I have read the conditions listed above. I agree with the conditions and understand that failure on my part or the part of my business or employees to adhere to these conditions may be cause for future action to suspend, revoke, or deny renewal of my licenses. I understand that licenses are issued by the City Council and Mayor and that signing this agreement does not guarantee the approval of a license.
